

# The Gordon Borek '10 Memorial Scholarship Fund

The Gordon Borek '10 Memorial Scholarship Fund is an endowed fund at Cardigan Mountain School established in memory of Gordon "Gordie" Borek '10, a beloved member of the Cardigan community who passed away in May, 2016.

In his two years on The Point, Gordie embraced life at Cardigan, finding success in academics, athletics, and in the dormitory. As a student, Gordie achieved academic and effort honor roll. He excelled in football and hockey, earning varsity letters in both sports. He was a kind and thoughtful floor leader in Dewar House during his senior year. But more than that, he was a good citizen and Cardigan brother to his classmates, building strong friendships that continued well beyond his time on The Point.

After Cardigan, Gordie attended Holderness School in Plymouth, N.H., and continued to find success at the secondary school level. As a Cardigan alumnus, he was a frequent presence on The Point, either while competing against his friends athletically, or simply visiting and encouraging his younger brothers, Charley '12 and Owen '15.

Gordie's infectious good nature, his strong work ethic, and his competitive spirit will be sorely missed by all who knew him. It is our hope that this scholarship fund will serve to continue this legacy and act as an inspiration to future Cardigan students.

To learn more about how you can support this fund, please contact Associate Director of Development Pamela Susi at 603.523.3571 or [psusi@cardigan.org](mailto:psusi@cardigan.org). Thank you for your support!

## *About Cardigan*

Located in Canaan, N.H., Cardigan Mountain School is a junior boarding and day school for boys in grades six through nine. Cardigan's environment is designed to nurture not only boys' academic achievement, but also their physical, social, ethical, and personal growth. Everything here—from teaching and learning to arts, sports, and fun—is geared toward helping boys reach their potential.
